#### Association's Delegate Instructed to Vote for Measure When Federation Takes It Up.

Prohibition in the District was given lands Citizens' Association at a meeting The action resulted in the resignation McKinney, delegate to the federation, who claimed that he could the association to the federation, as he considered the entire question one that Marketing Committee.

the that the matter should not come before the association, on the ground that it was purely a political question and that the association was not orgenized for purposes of this kind. Exception was taken to this ruling and carried and discussion of the question followed. Some of those speaking included the Rev. E. M. Ramsay, S. E. Snyder, R. F. Bradbury, J. R. Coryell and Mr. Blakselec. President Earker to the federation before Saturday night, but leved that M. McKinney would consent to carve af a this meeting.

Seek Waiting Station. before the association, on the ground

#### Seek Waiting Station.

Much discussion was held concerning suitab s waiting station at the corner same time and place. ennsylvania avenue and 17th he accommod ton of street For more than two years the associa-

tion has been endeavoring to obtain this shelter, but so far has made little progress. This time a large committee is to call upon officials of the railway company and the Commissioners, and make a determined effort to accomplish something within the next few days. So far the committee has been unable to learn who owns the land. Neither the Commissioners, federal government officials, nor the railway company will claim ownership to that portion where

A request has been made to the bearing of education for the use of the public school in which to hold its meetings, and it is likely this request will be and it is likely this request will be granted by the next meeting. If so,

granted by the next meeting. If so, it is planned to have a public gathering to celebrate the event.

The annual election of officers for the ensuing year was held, resulting as follows: C. A. Barker, president. P. E. McKinney, vice president. J. Henry Brown, secretary: J. R. Coryell, financial secretary and treasurer, and A. S. Rein, sergeant-at-arms. President Barker will appoint standing committees at the next meeting.

Fire was continued to have a public gathering to calculate the ensuing and the serge of the standard of the serge of the ser

Junior Debate at Georgetown.

Whether or not the literacy test of members participated in the discussion and an overwhelming vote was taken and an overwhelming vote was taken against the test. About 100 members were present.

### December

cember's loud and rude and burly, with snow and slush his beard is wet; he bids us do our shopping early, lest we forget, lest breathe deeply and take a good deal we forget. He seems wrought of exercise," declared Dr. S. H. Greene, up to bootless madness, the last month of the dying year; he fills bid people's hearts with sadness, health talks in the gymnasium of the reminding them they're gray and sassociation. The speaker said water sere. When skies are blue and soft wind blowing, the old folks may feel young again; they dwell physician." may feel young again; they dwell not on the thought of going out from this bright, glad world of men. But every bellow of December, that seems to come from at the poultry show to be held Janthroat of brass, can only cause uary 18 to 22, at the Arcade. Final them to remember that time speeds on, and flesh is grass. WALT MASON.

#### CONFERENCE TO HELP FARMERS OF THE SOUTH Preparing for Montest With North

Committee Is Called by Senator Fletcher.

In an effort to devise means to aid the farmer, a meeting of the National Marketing Committee has been called by the nairman of that organization, the indorsement of the Randle High- for the week of the Southern Commercial Congress convention in Charleston, S. C., early next month.

and increase the profits from agriculture by improving the machinery for not consistently convey the wishes of the distribution and marketing of farm

considered the entire question one that should not be considered by civic bodies.

I. M. Brooks made the motion that the delegate be instructed to vote for the measure, and upon objection by Mr. McKinney, President C. A. Barker ruled that the matter should not come before the association, on the ground

sioners of Agriculture and the South-ern Wholesale Grocers' Association have also been called to meet at the

## FLACED IN WINTER QUARTERS.

Pleasure Craft Being Laid by Until Spring of 1916. To make room for the power launches

for the winter, Regan yesterday put that was to have been rebuilt and conproposed to place a shelter, and suggested last night that it is possible to obtain some action beginning the erection of the had been done on the old boat for sevmight be possible to obtain some action by beginning the erection of the shelter, to settle who does own the ground. The citizens are determined that a shelter shall be provided at this transfer point.

The association adopted a resolution favoring an increase in the wages paid to janitors, engineers and others similarly connected with the public schools, and in so doing stated that the present salaries were far below those paid in other cities, and that an increase would tend to improve the class of service obtained.

A request has been made to the board of Education for the use of the public coats belonging to local owners have been taken from the water, will not be taken from the water, but has been placed in winter quarters in the dock foot of K street southwest. Shrouded in canvas, the yacht will lie protected from the storms of winter until the bluebirds begin to whistle in the spring. The launches Mercury. Applelops, Olga and several smaller boats belonging to local owners have in the past day or two been taken from the water at the Potomac Fishing and Gunning Club, foot of 9th street south-

#### \$1,600 DAMAGE BY FIRE.

Flames in Feed Store Spread to Two Adjoining Buildings.

Fire was discovered in the feed store of Herbert M. Van Ness, 1496 H street northeast, last night about 9:45 o'clock, and it gained such rapid headway that two adjoining buildings were slightly damaged. The fire reached the premises of Charles R. Talbert, wholesale

auxiliary bishop of Brooklyn, N. Y., Mili be appointed by the Pope, at the next consistory, at Archbishop of Chicago, to succeed the late Archbishop of Chicago, to succeed the late Archbishop of Chicago, according to word received at the papal legation in this city.

It also was announced that Rev. Ferdinand Brossart of Covington, Ky., will be appointed Bishop of Covington, and that Bishop Doherty, now in the diocese of Jaro, Philippine Islands, will be transferred to the diocese of Buffalo.

Demand Grows Lighter and Run Boats Accumulate at Wharf.

Following the heavy demand for oysters at the wholesale market, 11th street wharf, in the latter part of last week, the Burnett bill should be adopted formed the subject of a debate held last there has come a slackening off in purchases and the runboat masters at the chases, and the runboat masters at the Old Point to the Norfolk and Washingnight by the Junior Debating Society 11th street wharf are reporting business of the Georgetown Law School at the rather light just now. A considerable crick de Bary, from Mattox creek, Coslaw school building. About thirty fieet of oyster-laden craft has been lying lonial Beach and river wharves; power at the wharf for several days, and its size is augmented daily by arrivals, while chandise for this city. but few are able to sell out and get away. The consequence is the oyster docks are all well filled with boats with good cargoes of Potomac river oysters aboard.

The present stagnation in the market will last but a short time, the dealers say,

and before the end of the week a return December blusters, to remind us that time's as busy as of yore; this year is nearly all behind us, another year is at the door. December's loud and rude and bur-

## G. W. U. DEBATING TEAM

Carolina in December. The George Wash won University debating team is prepa

test with the University Sorth Caro lina at Chapel Hill, N. C. cember. The team is composed of C. V. Jacobson and P. B. Morchouse, with B. P. Robinson as alternate. All three team is being coached by Prof. E. Otto School faculty.

The proposition for debate will "That the government should own and operate all telegraph lines, constitutionality conceded." George Washington will uphold the affirmative. The University of Pittsburgh and Swarthmore College have accepted challenges issued by George Washingchallenges issued by George Washington, and arrangements now are being made for the debates, which probably will be held hext spring. Cornell University was challenged, but it was found impossible to make satisfactory arrangements for contests this year.

GROWTH OF THE Y. W. C. A. Miss Brown Will Discuss History for

Fifty Years. A history of the growth of the Y. W. A. during the last half century is the general topic announced for a series of six lectures by Miss Florence Brown, general secretary of the organization, the first of which was delivered at 10:30 his morning at the association rooms This series is given in connection with he "volunteer workers' course."

the "volunteer workers course."

The first city Y. W. C. A. was organized in Boston by thirty women in 1866. Today there are 245 city associations with a membership of 273,224. On the employed staff of the association are 1.663. There are 721 student associations with a membership of 65,129. Of these student associations, seventeen have buildings and 401 have rooms. The national conference was held in Los Angeles this year, with an attendance of 1,235.

#### CONFERENCE OF CHARITIES.

Workers in Northeast Will Discuss

Work Tonight. Maj. Raymond W. Pullman, Judge J. Wilmer Latimer and Walter S. Ufford are to discuss a system of co-operation between the Juvenile Court, the police and the Associated Charities, at the first meeting of the northeast conference of the Associated Charities, which is to be held this evening, at 8 o'clock, stated this will be the first general weeks. It is to be held this evening, at 8 o'clock, the previous Mayorie Temple overhauling the Wisshahickon has had in the new Northeast Masonic Temple, ith street near F street northeast. sth street near F street northeast. Dr. Percival Hall, president of Columbia Institution for the Deaf, is to preside at this meeting. This conference, under Dr. Hall's direction, is enlisting the progressive citizens of the Northeast into a band of workers for civic improvement. One of the objects for which they are striving is the organization of a playground in this neighborhood to give the children something to keep their minds and bodies busy during recreation hours. during recreation hours.

#### With the Sailing Masters.

Capt. Roy T. Fowkes, master of the Taylor tug M. Mitchell Davis, in servce at Philadelphia, who was in the returned to Philadelphia and his vessel. Capt. Frank V. Kintz, with Taylor & Bro. foot 10th street southwest, who has been taking a vacation at Fort Foote, Md., to start the erection of a summer home, returned to duty yes-

terday.

Capt. Addie Posey, first officer in the Norfolk and Washington line, who has been ill at his home in this city for several days, is recovering, and will shortly be able to return to duty on

his steamer.

B. W. Pomeroy of Oak Grove, West-moreland county, Va., who was ill at his home recently, is in the city on a Short visit.

George Jackson has been placed in charge of the engine room of the tug Baby, belonging to the Columbia Gran-

C., to load lumber for dealers here; schooner Annie Belle is on her way from Philadelphia to the Potomac to load; schooner Lanclott will return to Maryland point after cord wood for the market here; schooner Hallie K. is at a Potomac point to load oysters for this market.

### Will Discuss Child's Books.

Miss Clara H. Herbert, head of the children's department of the Public Library, is to speak on "The Child's Library and What Kind of Books It Should Include" at a meeting of the Dent School Mothers' Club, to be held In the kindergarten room of the school Thursday at 2:45 p.m. Mrs. Harlan, a member of the club, is to talk on "How I Have Supervised My Children's Reading." Piano solos are to be given by Miss Rose Elliott.

### Thrown From His Motor Cycle.

Garrett Wolfe, eighteen years old, was thrown from his motor cycle at 9th and N streets northwest last night as a result of a collision with an automobile belonging to Jeremiah Green, 600 K street southeast. He was treat-ed at Homeopathic Hospital for shock. Wolfe resides at 1604 Vermont avenue.

TO LESLIE R. VON HAHN

Newsp ir Man Dies at Louisville, Ky., .. t Age of Twenty-Nine. Leaves His Wife.

TUBERCULOSIS IS FATAL

Leslie R. von Hahn, twenty-nine are students in the Law Sci-sol. The years old, newspaper man, and former assistant night editor of the Associat-Schreiber, ir., member of the Law ed Press in this city, died last night at ville, Ky., of tuberculosis, accord advices received by friends here. hn went to Kentucky about two hs ago, in the nope of recovering his health. The news of his death came as a shock to his many friends

> Mr. Hahn had a long and varied ewspaper experience for one not yet thirty years old. He was news editor of the New Orleans Item, and later managing editor of the Montgomery, da., State, and managing editor of the Times of the same city. During the Nicaraguan trouble in 1909 and the Nicaraguan trouble in 1999 and 1910 he was special correspondent for the International News Service and the Cosmopolitan magazine. Following employment with a paper in Albany, N. Y., he joined the Associated Press at Louisville in 1911. He came to Washington in 1912, covering the government departments for the Associated Press, later being assistant night editor. He was a member of the National Press Club.

Press Club. His wife is living.

Boilers of Coast Guard Cutter Win-

CHANGED TO OIL BURNERS.

dom Undergo Alterations. Changing her boilers from coal to oi burners and doing other work on her has, kept the coast guard cutter Windom at the repair depot, Arundel Cove, Md., for several weeks past. The cutter now is nearly ready to go into commission, but before leaving the Chesa-peake for her station at Galveston the cutter will be given a trial run to test out her new oil burners. The change in the boilers of the Windom was made in the boilers of the Windom was made in the interests of economy, as oil as a fuel is much cheaper than coal at Galveston, is as efficient and is cleaner.

The little cutter Wissahickon, which does boarding duty at Philadelphia, is to receive a thorough overhauling this winter. As soon as a boat can be obtained to take her place on the Delaware the Wissahickon will go to Arundel Cove to have the work done to her. This will require several weeks. It is

#### since being built at Baltimore in 1904. LOCAL MEN ENTER NAVY.

Four Meet Requirements and Enlist at Baltimore.

Fifteen young men, among them John loseph Baker, William C. Webb, Adolf Hellwig and Leo Burns, who gave Washington as their home, were suc cessful last week in meeting the recessful last week in meeting the requirements for admission to the United States Navy and were signed on at the Baltimore recruiting station.

The young men presenting themselves before the recruiting officer were of high type because the proportion of those passing was exceptionally large. Out of thirty-six applicants fifteen were found of the caliber wanted. Usually the proportion passing is about one in the proportion passing is about one in four or five. To be worked into shape for duty on cruising ships the successful candidates have been sent to naval training station at St. Helena, near Portsmouth, Va., and elsewhere.

# Something Very Unusual Has Happened!

Our recent heavy sales, incident to the remodeling of our extensive PIANO, VIC-TROLA and MUSIC departments, have caused a shortage in good used upright and grand pianos.

We are now having so many calls for second-hand instruments which we cannot supply that, FOR THE NEXT 7 DAYS, we will either PAY SPOT CASH or exchange new Victrolas for any number of upright pianos of good grades and in good condition. Well known makes will be selected first.

If you have an upright or grand to dispose of in this manner, call, telephone or mail us your name and address and our representative will confer with you promptly.
